Adven group Ireland

What is Adven's history?
Adven's history as an energy group,dates to a time where oil or coal was the solution to enable major progress in our societies. Since then,time has changed,and so has our mission.

What does Adven do?
Adven owns and operates a diversified, high quality asset base at the sites of its industrial, municipal, and real estate customers. In 2014, Adven generated an EBITDA of EUR 30 million and currently employs 215 people.

What makes Adven a sustainable company?
Sustainability is at our core,paving the way for a better tomorrow for the next generations. Adven is an energy group,driving the energy transition by developing sustainable,competitive solutions in partnership with customers and suppliers.

How did Adven improve its management team?
Both the management team and the governance of the Company was strengthened, and core business processes were improved. Adven is the leading provider of sustainable and business critical energy infrastructure and services in Finland, Sweden and Estonia.

Where is Adven located?
Today Adven operates in Finland,Sweden,Norway,Estonia,and Latvia,and we are currently building our operations in the Netherlands. Our sites are found across all our operating countries - always close to our customers. We never hesitate to seek opportunities in new markets. Please accept cookies to view the map.

Who is Adven Sweden?
Back then,Adven Sweden was a small company with four employees offering geoenergy solutions. Adven expands to Latvia with the focus of developing more sustainable district heating services in the areas of Cesis and Valmiera. Adven is acquired by the owners of Värmevärden. The journey of two becoming one begins.
