

Falkland Islands haustrom tubular battery

HAUSTROM Tubular Battery; Tubular Battery Technology for Long Cycle Life; High Capacity: 240Ah 12V for Extended Power Backup; Electrolyte contains special additives to get quick recovery from deep discharge; Excellent charge acceptance; Float indicators to check the acid level; Microprocessor controlled (rolled) curing; High rate discharge tested

Hausstrom tubular batteries are designed to deliver consistent and reliable power every time. their plates are engineered to provide higher efficiency while maximizing battery life, which also ensures that the tubular battery price stays competitive.

Heavy duty Tubular plates for excellent life cycle. S.S terminal fasteners reducing sulphation on battery. Strong PP container disigned to keep battery cool and dry from external shocks.

Hausstrom tubular batteries are designed to deliver consistent and reliable power every time. their plates are engineered to provide higher efficiency while maximizing battery life, which also ensures that the tubular battery price stays ...

Haus Strom is a powerful inverter Battery designed for all power backup technology. It is a battery built to last and serve with Durability is a technology with slow discharge and high output. Haus Strom is on its own a tech for fir contemporary solar system.

Haus strom tubular Inverter Battery 220AH/12V is a rugged brand of inverter battery with higher power density. A special assembly technology is used to enhance power density to a considerable level. This Tubular Battery offers a dependable solution for any power backup storage system, particularly for homes, hospitals, pharmacies, supermarkets ...
