

Fos energy llc Latvia

Who owns Fos Energy LLC?

FOS Energy LLC began as "Fahud Oilfield Services" in 1999 when an initiative of His Majesty's Government encouraged the development of Omani owned companies in the well services sector. The shareholders of FOS chose Halliburton Worldwide Ltd. as its alliance partner. The Technical Services Agreement was signed in early 2000.

Why should you choose Fos energy?

By virtue of our mission and values, FOS Energy expects to be the most valued Omani-owned provider of solutions to customers. Therefore, we expect to deliver superior financial performance to our stakeholders. We can only accomplish this with the efforts and participation of our employees.

Why is customer satisfaction important for Fos energy?

Customer satisfaction is of paramount importance for FOS Energy. We constantly explore creative solutions that would further help in the economic recovery of the oil and gas reservoir.

How many PSI can a Fos separator handle?
