

Italtel intends to honour Italy's important industrial legacy by supporting the country's green industrialisation ambitions, and by delivering battery cells which will help drive decarbonisation across a variety of industries. Italtel's 45GWh battery plant will be the Italy's largest, independent, battery cell factory.

This article provides a comprehensive insight into the best top 10 battery manufacturers in Italy, presenting details such as their establishment dates, locations, corporate backgrounds, and main product offerings.

Flash Battery is the best-selling lithium battery for industrial machinery and vehicles in Italy: fast charging, long life, no maintenance and remote monitoring

Teverola 1 is the present and first operational plant in Italy and Southern Europe in the production of lithium cells, modules and batteries. Teverola 2 is the next step with a production capacity of >8GWh/year, including a pilot line for end-of-life battery recycling and active material recovery.

Flash Battery srl, (Flash Battery), is an Italy-based company committed to developing technologies and creating tailored projects with high added value in custom battery production for industrial machines and electric vehicles.

IBS Industrial Battery Service ITALIA. Distributor of Revolead and Revolithium Batteries and official reseller of Trojan, Relion, Optima, Fullriver and Squba Batteries.

Flash Battery is the best-selling lithium battery in Italy for traction, electric vehicles and industrial machines: zero maintenance costs and fast charging

Made in Italy from green and sustainable materials and in vertical production. From the active material (Lithium - Iron - Phosphate), through the production of the cell using a water-based process, to the battery system including our BMS (battery management system).

Since 2012, Flash Battery has delivered over 200 MWh, developed more than 500 different customized lithium battery models, and produced over 15,000 lithium batteries for the industrial machinery and electric vehicle sectors.
