Who is extension micro Nanjing integrated circuit co?

Extension Micro Nanjing Integrated Circuit Co.,Ltd. is a professional power management chip design companies,was founded in 2003,it is located in the elegant environment,convenient transportation of Nanjing Guanghua Science and Technology Park.

NanJing Top Power ASIC Corp. 2 TP4054 Standalone Linear Li-lon Battery Charger with Thermal Regulation in SOT DESCRIPTION The TP4054 is a complete constant-current/constant-voltage linear charger for single cell lithium-ion batteries. Its SOT package and low external component count make the TP4054

TP4066 is a constant-current/constant-voltage linear 1A charger IC for single cell lithium-ion batteries, with input power adaption & reverse-connected battery protection, in ESOP8/DFN2*2-8

Founded in 2003, Nanjing Top Power ASIC Co., Ltd. is a fabless IC design company specializes in the consumer electronic chips. We have a strong R& D team. The backbone of the company"s development team are among the pioneer-generation CMOS IC designers in China, specialize in digital analog hybrid circuits such as low-power power management ...
