

Efacec emerged in 1948, from the union of the Belgian group ACEC (Ateliers de Constructions Électriques de Charleroi) and CUF (Companhia União Fabril), one of the largest Portuguese business groups at the time. The Efacec project history begins, however, in 1905, with the foundation of a new company named Modern, Mechanical Sawing Society. In 1917, during the First World War, Efacec produc...
