Will Jebsen & Jessen acquire Safetech?

Singapore, 4 March 2024 - Diversified industrial conglomerate Jebsen & Jessen Group and Safetech, Australia's premier dock products and lifting solutions company, today announced the signing of a strategic partnership that will see Jebsen & Jessen acquire a majority stake in Safetech.

Why did you choose Safetech?

"One big area that drew us to Safetech is their ever growing national service network. By utilising their experienced installation and service staff, it accelerates our ability to look after the customers who purchase our existing range of products.

Why did Safetech reach a milestone?

To reach that milestone was a tribute to the ingenuity of their product solutions and their commitment to their customers across the country, as well the vision of Lindsay Wakefield, who founded Safetech way back in 1984.

Is Safetech a Telstra Business of the year?

In 2006 Safetech was named Australian Telstra Business of the Year. We are proud to have received this prestigious award as recognition of the efforts, achievements and support from our employees, suppliers, community and customers.

What makes Safetech a great partner?

Safetech's long-standing leadership in the market, coupled with their unwavering commitment to excellence and shared values that closely resonate with our own, truly distinguishes them as an exceptional partner," said Per Magnusson, Group CEO, Jebsen & Jessen Group.

White explained that the secret sauce that Safetech had found was in an ability to remain local to Australia and committed to manufacturing Australian Made products - with an acknowledgment of what was possible on shore and what was better left to overseas imports.
